INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Waterside Village of Palm Beach Condominium Association, Inc.

We have audited the accompanying financial statements of Waterside Village of Palm Beach Condominium Association, Inc., which comprise the balance sheets as of October 31, 2013 and October 31, 2014, and the related statements of revenues, expenses, and changes in fund balances and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Waterside Village of Palm Beach Condominium Association, Inc. as of October 31, 2013 and October 31, 2014, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Disclaimer of Opinion on Required Supplementary Information

Accounting principles generally accepted in the United States of America require that a statement on Future major repairs and replacements on pages 13 & 14 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is

MARC LABOSSIÈRE, P.A.

required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

WATERSIDE VILLAGE OF PALM BEACH CONDOMINIUM ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED OCTOBER 31, 2013 & 2014

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Waterside Village of Palm Beach Condominium Association, Inc. (the Association) was incorporated in the State of Florida as a not-for-profit corporation on September 16, 1988. It is located in the town of Hypoluxo. The Association was formed to maintain and protect the common areas owned by the individual unit owners in common and consists of 412 units. One unit is used as the Association Office.

Basis of Presentation

The Association uses the accrual method of accounting, i.e., revenues are recognized as earned as of the date of billing and expenses are deducted in the period in which they are incurred.

The Association's financial statements use the fund method for presentation purposes. This method separates the assets, liabilities, and revenues and expenses of the operating and restricted funds (reserves). Disbursements from the operating fund are generally at the discretion of the Board of Directors whereas restricted funds may only be used for their designated purpose.

This financial statement is prepared in accordance with Florida Statute Section 718.301 (4) (c).

Cash Equivalents

For purposes of the statement of cash flows, the association considers all highly liquid investments with a maturity of three months or less to be cash equivalents.

Property and Equipment

Real property and common areas acquired from the developer and related improvements to such property are not recorded in the Association's financial statements because those properties are owned by the individual unit owners in common and not by the Association. The Association capitalizes personal property to which it has title. Furniture and equipment are recorded at cost. Depreciation is computed principally on the accelerated cost recovery system method over the estimated remaining useful lives of the assets which range from five to thirty one and one-half years.

2. MAINTENANCE ASSESSMENTS

The Association's declaration provides that each owner is chargeable for their share of common expenses based upon the budget adopted. The Association has lien rights in the event of delinquent assessments, which can be exercised through foreclosure proceedings. The Association provides an allowance for losses on receivables based on a review of the current status of existing receivables, where applicable.

3. CERTIFICATES OF DEPOSITS

At October 31, 2014 the Association's certificates of deposit consist of the following:

<u>Description</u>	<u>Interest Rate</u>	<u>Maturity Date</u>	<u>Amount</u>

5. PROPERTY AND EQUIPMENT

Property and Equipment – Net	<u>\$ 241,738</u>

Included in Equipment above is \$ 18,000 of personal property which was transferred to the Association by the developer on the date of turnover. Such property was recorded based on values provided by the developer.

The Association has decided not to capitalize any purchases of Property & Equipment but rather to expense them in the year they occur except for land.

6. RESTRICTED FUNDS - RESERVES

Florida Statutes provide that each proposed budget include provisions for reserves for capital improvements and deferred maintenance. These accounts, if adopted, are restricted to their intended purposes unless modified by a qualified unit owner vote.

The approved budget includes provisions for reserves for capital improvements and deferred maintenance. These funds are being accumulated based on the estimates of future needs for repairs and replacements of common property components as disclosed in the supplemental information. Actual expenditures may vary from the estimated future expenditures, and the variations may be material. Therefore, amounts accumulated in the replacement fund may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Association has the right to increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available.

Therefore, amounts accumulated in the replacement fund may not be adequate to meet all future needs. If additional funds are needed, the Association has the right to increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available.
